Questions....

1. How quickly can I have the machine fitted?
Once we receive your deposit payment by credit card and you have returned your rental documents to our rental company we can normally install the machine within 7 working days.
2. Do I need to install water and electricity to the machine?
The Angel is a tank filled machine and does not need its own water supply. It plugs into a normal 13amp socket with a 1.5 metre lead.
3. What happens if the machine breaks down?
We include a 12-month service plan (this does not include faults relating to non-cleaning of the machine)
4. How do I get my monthly coffee allowance?
Your monthly coffee allowance is delivered to you by business post, or deducted from your monthly coffee invoice. All additional coffee orders are made via your account manager (lo-call rate) 0844 477 85 68
5. Where can I buy cleaning products for my coffee machine?
Please order via your account manager (lo-call rate) 0844 477 85 68
6. Do I get training on how to make coffee?!
You sure do! Our enthusiastic engineers will give you training on how to make great coffee, we do however, offer more advanced group training sessions covering latte art to a building the ultimate coffee based drinks!

The small print! – All equipment supplied is brand new and comes with one-year warranty, unless stated all prices are fixed for three years and will not increase within this term. Delivery upon completed documentation is 14 working days, the Off Set Coffee rental plan is based on the supply of Paddy & Scott's Café Classic Coffee is based on the supply of Paddy & Scott's Café Classic Coffee
